ATOM 330

Atom 330 is a professional single disc with planetary for grinding and polishing counter tops, stairs, edges and narrow areas. Thanks to its powerful motor and to the counter-rotating planetary it is possible to grind and to polish marble, granite and concrete. It differs from all the others machines on the market for its robustness and its perfect balance. The speed of the abrasives is studied in order to make the machine stable, easing the grinding and polishing operations. It is supplied with splash guard and connection for vacuum cleaner.

- ✓ Grinding and polishing stairs and countertops.
